<b>Total</b>	/50

---

This document consists of a Question Paper with **6 printed pages**.  
An Insert with **2 printed pages** is attached to this Question Paper.

[Turn over]

**Read the passages and then answer all the questions which follow below. Note that up to fifteen marks will be given for the quality and accuracy of your use of English throughout this paper.**

NOTE: When a question asks for an answer IN YOUR OWN WORDS AS FAR AS POSSIBLE and you select the appropriate material from the passages for your answer, you must still use your own words to express it. Little credit can be given to answers which only copy words or phrases from the passages.

**From Passage 1**

1. In paragraph 1, what distinction does the writer make between modern researchers and scientists like Newton and Archimedes? ***Use your own words as far as possible.***

.....  
.....  
.....  
..... [2]

2. Explain what 'with jaundiced eyes' (line 5) reveals about modern researchers' opinion of serendipity's impact on 'meaningful revelations' (line 6). ***Use your own words as far as possible.***

.....  
.....  
.....  
..... [2]

3. How does the use of language in lines 7-9 paint those who do not leverage serendipity in a negative light? ***Use your own words as far as possible.***

.....  
.....  
.....  
..... [2]

4. In paragraph 3, how does our use of search engines substantiate the writer's belief that serendipity no longer plays any real part in our lives? ***Use your own words as far as possible.***

.....  
.....  
.....  
..... [2]

5. Explain how lines 20-21 support the writer's assertion in line 19. **Use your own words as far as possible.**

.....

.....

.....

..... [2]

6. From paragraph 5, explain three criticisms the writer has of 'those who place their faith in serendipity' (line 26). **Use your own words as far as possible.**

.....

.....

.....

.....

.....

..... [3]

7. Identify one way in which the final paragraph provides an effective ending to the writer's argument.

.....

..... [1]

**From Passage 2**

8. How does the writer support his assertion that 'serendipity is the provider of opportunities to achieve greatness' (line 5)? **Use your own words as far as possible.**

.....

.....

.....

..... [2]

---

---

[1]

- Write your summary in **no more than 120 words**, not counting the opening words which are printed below. ***Use your own words as far as possible.***

*Fewer people believe in serendipity as.....*

[8]

**Candidate to declare Word Count:** \_\_\_\_\_ words

11. Tess Lamare argues that a belief in serendipity is no longer relevant while Simon Chan is of the view we need to restore a belief in serendipity. How far do you agree or disagree with their observations, relating your arguments to your own experience and that of your society?

This image shows a full page of a document template designed for handwriting practice or general writing. It consists of approximately 28 evenly spaced horizontal dotted lines across the entire width of the page. The background is plain white, and there are no margins, headers, footers, or other markings present.
